portfolio asset management

West Asset Management is one of the nation's leading debt suppliers with the highest quality paper on the market. We have worked with many of the nation's largest organizations and have become a trusted partner with some of the most established creditors and banks in the United States.

The Debt Depot.

The Debt Depot allows customers to search through our extensive list of debt portfolios online, purchase portfolios online and sell aged or distressed receivables. Furthermore, it enables debt buyers the rare opportunity to create debt packages that compliment their unique collection strategy.

Our Portfolios.

We have many different types of portfolios with various types of debt available including loans, credit cards, consumer debt and checks. In addition, each one of our portfolios has a chain of title and a complete and accurate history including; the number of previous agency placements, previous agency settlements and reporting history to the credit bureau.

Reliability.

Not only does West Asset Management provide the highest quality debt, but also our portfolios are available on a renewable basis. We have the consistent supply so you can meet your required account flow. You can rely on us to be a solid resource in your portfolio purchasing program.

Customized.

West Asset Management has the ability to create a custom portfolio that appeals to any size of purchase. In addition, we are able to segment the portfolio for you in a variety of ways:

- Location: National, State, County, Region, DMA, Zip
- Debt Types: Auto, Balance Transfers, Consumer Loans, Credit Cards, Mortgages, Medical
